Brinkley's Estate Agents are pleased to present this modern, three bedroom, maisonette to the market. The bedrooms, located on the first floor, are larger than average with built-in wardrobes and double glazed throughout. The bathroom is tiled throughout and is of the highest specification.

These particulars are intended to give a fair description of the property but their accuracy cannot be guaranteed, and they do not constitute an offer of contract. Intending purchasers must rely on their own inspection of the property. None of the above appliances/services have been tested by ourselves. We recommend purchasers arrange for a qualified person to check all appliances/services before legal commitment.

The ground floor has plenty of natural light with doors leading directly onto a private garden. The kitchen and open-plan lounge/dining area is ideal for entertaining. The flooring is solid oak throughout, not just standard laminate!

Southfields station and Village is a short walk away, many idyllic coffee shops and restaurants. The District Line is frequent and central London is easily accessible.
