### **GENERAL INFORMATION FOR TENANTS**

Please only complete this application form if you have already carried out a viewing of the property and are wishing to request a tenancy.

This application form does not constitute any part of a Tenancy Agreement and either the Applicant(s) or the Landlord or Agent reserves the right to cancel a reservation at any point prior to the Tenancy Agreement being executed.

Successful applicants will be required to complete all sides of their paperwork including but not limited to signing their side of the Tenancy Agreement, completed the Right to Rent Checks, ensuring that their Guarantor is advised of their application and that said Guarantor has completed the Guarantor Agreement **within 14 Days of acceptance**.

Successful applicants will also be required to make the following payments as listed below

- **Payment 1 - Immediately**  
HOLDING DEPOSIT: £450.00
- **Payment 2 – On or before the 6<sup>th</sup> January 2025**  
TENANCY DEPOSIT: £1,950.00

### **Holding Deposit**

By paying a holding deposit you are confirming your intention to rent and your landlord is confirming their intention to let – it ‘holds’ the property for you until you sign a tenancy agreement. If you pull out you will lose the holding deposit and if the landlord pulls out you should receive the holding deposit back.

**Q: Will my holding deposit be protected?**

No. Holding deposits do not have to be protected in a tenancy deposit protection scheme.

**Q: Will I get my holding deposit back?**

No. When all of the necessary checks are complete and the tenancy agreement has been countersigned the holding deposit is transferred to the properties rental account and deducted from the Tenancy Deposit due.

### **Tenancy Deposit**

A tenancy deposit is paid to the landlord as a security against you breaking the terms in your tenancy agreement, e.g. by causing damage or not paying your rent.

It is usually the value of 4 to 6 weeks rent. If you meet all the terms in the tenancy agreement your tenancy deposit should be paid back to you in full when you leave. If you don't, the landlord can keep money from the tenancy deposit to meet the costs of putting things right.

The tenancy deposit must be protected in a government approved scheme within 30 days of the landlord receiving it.

### **Rent**

The Rent for the Term of the Tenancy for this property is payable by 4 equal payments on 11<sup>th</sup> June, 1<sup>st</sup> October, 1<sup>st</sup> January, 1<sup>st</sup> April.

The Rent is exclusive of utilities.

### **Utilities**

Unless specifically stated all properties are let exclusive of all utility bills. This means as tenants you will be responsible for the gas supply, electricity supply, water rates, council tax, Broadband, TV license etc. As tenants you will also be responsible to ensure that all supplies are both set up correctly (with meters read) at the start of the tenancy and correctly closed down at the end of the tenancy.

Students are currently able to obtain an exemption from Bristol City Council meaning that you would not have to pay this utility, however it must be applied for and failing to do so may result in charges being leveled against you by them.

Increasingly we are being asked about all-inclusive utility bundles and have now partnered with 'The Student Energy Company Ltd'. More information about their services will be made available to you when completing the tenancy process. If you decide to link with 'The Student Energy Company Ltd' they will administer your bills for you.

## **Tenancy Agreement**

### **Tenancy Agreement**

The tenancy agreement is a joint and several tenancy and can only be signed by a person over the age of 18.

#### **Q: what does Joint and several liability mean?**

Joint tenants are 'jointly and severally liable' for all the obligations owed under the tenancy. This means that the landlord can pursue all or just one of the tenants in respect of any obligation that is not fulfilled, for example payment of rent.

#### **Q: Can we sign individual tenancy agreements?**

No

## **Guarantor Agreements**

The Landlord requires that all tenants provide a Guarantor. Unfortunately, insurance-based guarantor schemes such as Housing Hand are not accepted for this property.

#### **Q: What is a Guarantor?**

A Guarantor is a third party, such as a parent, legal guardian, who agrees to pay your rent if you don't pay it. Landlords can ultimately take legal action to recover any unpaid rent from the Guarantor. The Guarantor must also upon request be able to show evidence funds to support being a guarantor.

#### **Q: What if I do not have a UK Guarantor?**

This may present a problem for you if you are an international student, so if you can't get a UK-based Guarantor, you are normally asked to pay all your share of the rental upfront.

#### **Q: does my Guarantor also have a joint and several liability ?**

Unless specifically advised otherwise, Guarantors are only responsible for your individual share of any rent or other liability.

## **Right to Rent Checks - Passport Requirement**

We are required by UK Law to undertake right to rent checks on all persons named on and residing in a property (for more information regarding Right to Rent checks please visit <https://www.gov.uk/government/publications/right-to-rent-document-checks-a-user-guide> ), in order to comply with the Act, a successful applicant will be asked to make arrangements for this to be carried out normally within 7 days of acceptance of the property.

### **UK citizens**

We need to take sight of you and your physical passport together

### **No UK Residents**

We need to take sight of you and your physical passport together along with your unique settled or pre-settled status share code.

## **Landlord Reference**

Current HMO Requirements require that a landlord must request a reference for each new person wishing to occupy the house. The reference request should include questions about anti-social behaviour, acting in a non-tenant like manner and any problems in respect of non-payment of rent. References must be retained for a minimum of 6 months from the issuing of the licence and must supply to the Council on demand.
