This individual, three bedroom, detached bungalow is set in a great location just off Trescobeas Road within a few minutes walk of Falmouth School with the property coming to the market for the first time since it was built in 1957 for our clients family.

The bungalow has been extended and improved over the years by our client, however there is still room for some cosmetic refreshment allowing new owners the opportunity to personalise the property to their own taste and requirements.

Current features include gas fired central heating by radiators, UPVC double glazed windows and doors, vertical blinds in some rooms, a fitted kitchen/dining room with some appliances and all floor coverings included in the sale.

The accommodation includes a large covered porchway in front of the garage and door leading into an L-shaped reception hall, dual aspect sitting room at the front, dual aspect fitted kitchen/dining room, three bedrooms and a re-modelled shower room/wc combined.

The bungalow is approached over a rising tarmac driveway with parking for four vehicles and this bisects a mature raised front garden which has a patio at the front and pathway leading around to the rear where a raised garden offers privacy and seclusion. An attached garage is alongside the property and a timber garden shed at the rear.

The property is within easy reach of Falmouth's bustling town centre, various educational facilities, Penmere branch line station, the sea front, beaches and Falmouth Golf Club.

As our clients sole agents, we thoroughly recommend an immediate viewing to secure this property.
