We are delighted to offer as our client's sole agents, this distinctive and **HIGHLY INDIVIDUAL, FIVE BEDROOM DETACHED PERIOD RESIDENCE** along with a **SEPARATE, SELF-CONTAINED, DETACHED TWO BEDROOM ANNEXE**, all set in a great location just seconds from Kimberley Park and just a few minutes downhill walk into Falmouth's bustling town centre and waterside districts.

St Joseph's has an interesting history, believed to have been built in the 1840's. The property had previously been a convent and a school until it became a private residence some 35 years ago.

The house has been renovated in recent times taking much care and attention to preserve the original features that makes this such a splendid character home. These period features include an ornate entrance with carved detailing, stone cross on the porch, beautiful tessellated tiled floor and granite steps, distressed and wooden flooring and a grand reception hall with fabulous hand carved dark wood banisters and balustrades, original internal doors, picture rails and skirtings. The roof was also renewed at some point with the original bell tower that was recently refurbished sitting proudly atop.

The main house has much to admire with gas fired central heating by radiators, UPVC double glazed windows and doors in keeping with the facades, a focal point wood burning stove in the lounge, a superb fitted kitchen/breakfast room with polished granite work surfaces and a well appointed family bathroom/wc on the first floor.

The accommodation in sequence includes on the ground floor, an entrance porch, grand reception hall and galleried landing, a lounge overlooking the front aspect that opens via French doors to a separate dining room providing open plan living if required, fitted kitchen/breakfast room, a recently installed ground floor shower room/wc. The first floor offers five bedrooms (some with river views) and a family bathroom/wc combined. The property has a very generous attic which opens up the possibility to extend and provide further accommodation (subject to the normal planning permission and building regulation approval).

The detached self-contained annexe is an added bonus providing the opportunity for an additional income with long term or holiday letting, as an annexe for a dependent relative or independent teenager and even perhaps someone that runs a consulting business from home.

The house is approached from two directions, firstly through a gate at Kimberley Place with a wide right of way alongside the Quaker House which in turn leads through a gateway into the delightful gardens at the front of the house. You can also enter the house from Hawkins Way which is just off Killigrew Street.

The house enjoys a convenient location with access to local amenities, Penmere Station, Falmouth School and a stroll into Falmouth's town centre and to Swanpool and Gyllyngvase Beaches, various college campuses centred around the Woodlane area.

As the owner's sole agents, we thoroughly recommend an immediate viewing to view this delightful home and the grounds. Why not call for further details and book a personal viewing?

A tarmacadam pathway leads from Kimberley Place to a second gateway where you enter the gardens and a pathway continues to the front entrance porch.
