REF: SK7206

We are delighted to offer as our clients this charming period end of terrace with a separate detached annexe and another attached annexe, gardens and parking to the front and rear set in an enviable location just a few minutes downhill walk into the town centre and waterfront whilst also easy access to Kimberley Park across the road.

The property is well screened at the front with parking for approximately four vehicles and is very deceptive from the roadside as it offers versatile accommodation with a range of reception rooms, annexe to rear (formerly used as Air B'n'B), a pottery studio/office and a detached, separate building/annexe with its own entrance and parking. The main residence boasts much character and charm with its many original Victorian characteristics including a feature fireplace currently housing a freestanding woodburner, stripped timber floors and moulded ceiling. In the dining room there is a Aga range oven providing another interesting feature.

Falmouth's popular and bustling town centre and waterside districts are within walking distance where you can find a thriving town centre which has an excellent blend of individual shops and high street names together with an eclectic selection of multi-national restaurants, bars, coffee houses, art galleries, the Poly Arts Theatre, multi-screened cinema and at the far end of town, the National Maritime Museum. The town plays host to a variety of food and music festivals throughout the year which prove popular with locals and visitors alike. The town has the third natural deepest harbour in the world providing excellent water sport facilities with Falmouth Docks and Pendennis Shipyard providing employment for a large part of the towns population. There is good local schooling with primary and secondary education and various university campuses.

**As our vendor's sole agents, we highly recommend an early appointment to view this fine property.**

**Why not call for your personal appointment to view today?**

***THE ACCOMMODATION COMPRISES: All dimensions approximate.***
