A great opportunity to own this superb, three bedroom, double fronted detached bungalow which is set in a highly desirable location, facing due south commanding delightful views across the village to Falmouth Bay and the Manacles on the horizon.

This fine bungalow comes to the market for the first time in over a decade since our clients purchased it through our office in Falmouth and during this time they have personalised and updated the property making this a home that anyone would be proud to own. Greystones is packed with so many features including wholly owned solar panels with battery storage, UPVC double glazed windows and doors, independent electric heating, a focal point fireplace with wood burning stove in the lounge/dining room, built in wardrobes in all bedrooms, white panelled internal doors and a combination of engineered oak flooring and fitted carpets throughout.

It is worthy of note that the bungalow has been adapted for good wheelchair access with wide ramps leading from the driveway to the entrance door and continuing to the rear gardens.

This spacious accommodation has been tastefully extended at the rear with accommodation including in sequence; an entrance porch, L-shaped reception hall, broad lounge/dining room facing due south, fitted kitchen with appliances, side porch/utility, three good bedrooms (all with fitted wardrobes) and a luxurious shower room and separate WC.

Outside, the property is approached over a wide red brick driveway with parking for two/three vehicles and this leads to the garage. A wide and ascending paved pathway has good wheelchair access passing raised gravelled beds to the left and continuing around to the right hand side of the property where you can find easily maintained gardens with lawn and patio area.

The village of Budock itself offers a host of local amenities including village shop, historic church, the Trelowarren Arms public house, restaurant and playing field with children's play area. The village is situated on a local bus route which runs to and from the harbourside town of Falmouth which is approximately two miles distant and offers a wider range of facilities and amenities along with local junior and senior schools.
