An ideal opportunity to own this two bedroom detached bungalow which is set in an enviable and elevated location at the end of Venton Road enjoying the most delightful views across the daffodil green to light woodland at Tregonnigie.

The bungalow comes to the market for the first time in over 48 years and as such is being sold with 'no onward chain' allowing a motivated purchaser the chance to conduct a swift sale and move in during the spring and summer.

The property itself is clean but somewhat old fashioned and needs some cosmetic refreshment to make it sparkle, bringing up to modern day standards - in essence a proper blank canvass.

The basics are here with gas fired central heating by radiators (boiler just serviced, February 2026), a combination of UPVC and aluminium framed double glazing plus a shower room which was re-modelled at some stage.

The well proportioned accommodation includes an L-shaped entrance hall, living/dining room, simple fitted kitchen overlooking the rear garden, two bedrooms and a shower room/wc combined. Outside, the property is approached over concrete steps with handrails which lead to the front door. Mature well stocked gardens sit to the front and rear of the bungalow and a detached garage with driveway parking.

As our client's sole agents, we thoroughly recommend an immediate viewing to secure this property.

Why not call for an appointment to view today?
