An ideal chance to own this spacious and well presented, three bedroom stone fronted terraced house which is set in the heart of this delightfully and well served village of Lanner just two miles from Redruth, the A30 and branch line station connected to Penzance in the west and Paddington to the east.

The house has been a comfortable home for our clients for the past four years and during this time they have created a home which is ideal for a growing family looking to embrace a village lifestyle.

Plenty of features await any lucky new owners including LPG gas central heating by radiators, sealed unit double glazing (where stated), a focal point fireplace with Bio-ethanol fire and a re-fitted kitchen with appliances.

The well planned accommodation on the ground floor includes a reception hall, open plan lounge and dining room, fitted kitchen, rear porch and utility area. The first floor offers three bedrooms and a large family sized bathroom/wc in white. Outside the property there are small walled gardens to the front, generous enclosed courtyard gardens to the rear, a single garage en bloc close by and it is worth mentioning, there is unrestricted parking on the road immediately outside the house.

The village of Lanner offers a great community and benefits from a convenience store, two public houses, churches, village school, doctors surgery and petrol station with an additional convenience store. There is a regular bus service and the mainline train station at Redruth is some 1 1/2 miles away. The A30 and A39 are easily accessible.
