This one-bedroom cottage has recently undergone a refurbishment and now offers light and airy accommodation with a beautifully fitted modern kitchen, a recent shower room with three piece suite, open plan living and a generous double bedroom with UPVC double glazing and gas central heating.

Outside the property there is a fenced private courtyard with patio area and a further piece of ground opposite which is owned by this property. We have been advised there are delightful communal gardens which are also available to the new owner.

The property is conveniently located off the main street in Penryn therefore has easy access to its shops and facilities, accessed by an archway that leads to a tucked away quiet Ope with a handful of character cottages.

Penryn's bustling town centre offers a good range of amenities including a convenience store, post office, cafes, takeaways, galleries and a regular bus service connecting the neighbouring town of Falmouth to the Cathedral city of Truro. At the top of the town, you will find Penryn college, junior school, and Falmouth University (Tremough Campus). For sports enthusiasts Penryn Rugby Club is close at hand and Penryn river by Commercial Road with the boatyard at Islington wharf is just a few minutes downhill walk.
