A great opportunity to own this delightful older style semi-detached family home which is set in an elevated and enviable location just off Green Lane, enjoying superb views from the front aspect down across the town to the Penryn River, Flushing, Carrick Roads and beyond.

This fine home was built in the 1950's by Kernick Builders and was latterly extended in recent years on the ground floor to provide another reception room and into the attic, creating a principal bedroom with en-suite bathroom.

Outside the property there are enclosed front gardens, tandem driveway parking leading to a garage and at the rear, delightful enclosed lawned gardens with fruit trees and a paved patio.

Packed with features including gas fired central heating by radiators, UPVC double glazed windows and doors, a focal point fireplace in both reception rooms and a combination of hard wearing wood finish flooring, tiling and fitted carpets throughout.

The extended three storey accommodation is ideal for a growing family and includes in sequence, a reception hall, cloakroom/wc, sitting room, open plan kitchen/dining room and a third reception room currently used as a home office. A staircase from the reception hall takes you to the first floor which has two double bedrooms and a family bathroom, finally a turning staircase leads to the top floor where you will find a principal bedroom with en-suite bathroom.

The historic town of Penryn offers an eclectic range of day-to-day facilities including shops, restaurants, public houses and doctors surgery. The property itself is close to Penryn infant and junior school, Penryn College for secondary education and Falmouth University (Tremough Campus). Penryn station is also close by with the branch line linking Falmouth Docks to the cathedral city of Truro.
