Externally

Paved path to front with raised communal planter. Pleasant, paved patio and lawned garden to rear enclosed by fencing to 2 sides along with useful timber storage buildings. 2 allocated parking spaces per property with additional communal parking and landscaped grounds.

Agents Notes

We are informed there is a communal private sewerage treatment plant together with a communal private water supply from a borehole, and it is therefore envisaged that a shared cost of providing water and drainage will be comparatively cheap, and therefore very appealing.

We have been advised by our Clients that each of the barn conversions will be Freehold, with 2 allocated parking spaces per property. We understand the communal grounds and parking will be owned by The Freehold Management Committee Of Which All Owners Are Members Of & Have A Share In .All interested parties are advised to have their legal adviser explore the same when the necessary.
