We are people people. We love to talk and find out every detail about your plans for moving. Knowing our customers well helps us tailor our service to your exact needs. Some clients want hands on, some a little more hands off. Either way, we love helping.

The first stage is to ask us around to have a look at your property and to discuss your plans. You can do this by calling **01245 344399**

The directors at Property Street have created an fun and fast paced environment for their staff to work in, and we believe this has contributed to ensuring we always put the customer first, and have fun doing so.

“We have sold three properties through Property Street and their service in our opinion is second to none, why pay more?” Mr and Mrs Stringer, Essex
