

## Energy Efficiency Rating

The graph shows the current energy efficiency of your home.

The higher the rating the lower your fuel bills are likely to be.

The potential rating shows the effect of undertaking the recommendations on page 3.

The average energy efficiency rating for a dwelling in England and Wales is band D (rating 60).

## Top actions you can take to save money and make your home more efficient

| Recommended measures                        | Indicative cost  | Typical savings over 3 years | Available with Green Deal |
|---|------------------|------------------------------|---------------------------|
| 1 Internal or external wall insulation      | £4,000 - £14,000 | £ 279                        |                           |
| 2 Low energy lighting for all fixed outlets | £50              | £ 144                        |                           |
